Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received on 3 July 2025 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

Your Request

Please can you supply me with the following information:

1. Has your ICB, or any of the places within your ICB, undertaken or supported any biosimilar insulin switch programs (for example, switching patients from NovoRapid to Trurapi)? We are not interested in individual patient switches, only if there have been any managed switch programs.
2. If you have not, are there any plans to?
3. If you have, can you detail which insulin you switched from and which to, and when this was done?

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB does hold the information requested.

1. Yes, NENC ICB has had in place switching programs for biosimilar insulins.
2. Please refer to the response to question 1.
3. NovoRapid insulin was switched to Trurapi insulin. Switches took place over the course of the previous 12 months, depending on the locality.

In accordance with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log. Therefore, a version of our response which will protect your anonymity will be posted on the NHS ICB website <https://northeastnorthcumbria.nhs.uk/>.
